

GOD  
By  
Steve Lemieux-Jordan

Is your God my God?  
Is my God your God?

If your God is not my God  
And my God is not your God?  
Is your God better than my God?  
Or is my God better than your God?

What is your God?  
What is my God?

Are our Gods Black?  
Are our Gods White?  
Are our Gods Yellow?  
Are our Gods Red?  
Are our Gods Brown?  
Green?  
Blue?  
Pink?  
Purple?  
Orange with chartreuse spots?

Are our Gods Male?  
Female?  
Gay?  
Straight?  
Transgender?  
Animal?  
Vegetable?  
Mineral?

Does everybody have a God?  
Does God have everybody?  
Is God everywhere?  
Is everywhere God?  
God is in the details  
The details must be God

Do we need our Gods?  
Or do our Gods need us?

Has anyone seen our Gods?  
My God what is God?

God I could go on  
God could I go on?
