

The Circle
By
Steve Lemieux-Jordan

I stand alone

I stand in a circle
Surrounded by my life
That I cannot feel
That I do not want to feel

Sons, Brothers, Uncles, Fathers, Grandfathers
That I do not know
Join me
We are surrounded by our lives
That we cannot feel
That we do not want to feel

I stand in the circle of men
I share my life
With
Sons, Brothers, Uncles, Fathers, Grandfathers
That I do not know
They Stand in the circle
They share their lives
We can feel our lives
We want to feel our lives

I stand in the circle of men
The circle of, Sons, Brothers, Uncles, Fathers, Grandfathers
That I now know
We are feeling our lives
We love feeling our lives

I look around at
The circle of, Sons, Brothers, Uncles, Fathers, Grandfathers
I see that
I stand in a circle of mirrors
I am no longer alone
We are no longer alone.
